

1.4.345

a Lesson in the University of The New Covenant

Theodore Cottingham, October 13, 2006 11pm. North Kensington, London

www.unc.bz

1. This is the moment of my appearing in me, not like anyone thinks or anticipates. Is it me, real? They say/ask. Yea of me my appearing is, of me, by me, being me. I love you. Is me real and true? Not just; real and true and second to only me, not; being me.
2. See what I am saying/declaring; bold face lie, not; but one cool turkey, not; one simple minded fool, not; one who came into me and died to get me; retrieve me, not; become me who I really am. I love you.
3. **This is the time, moment, and me arises me into me-ship, me-hood, Christship.** I love you. All I love you. I love you all. See me this moment cataclysmically rocking ages not; being it/through them all, me. I love you.
4. This is the time, moment, and seeing sorrow none, jubilation; excruciating for some but of me, for me, by me, being me, I am me. And all choose/have chosen. Many times before, some. I love you all.
5. See the moment cataclysmic and who can see where I'm doing what and where I am next, pulling stunts not but showing my love personified in excellence, my spirit, father being. I love you all. Me.
6. Watch the clock. No. For clockless father is. I love you all. Many details/ramifications; nations many/aplenty; and throughout time? I love you still/always and forever. Me.
7. Stand strong knowing my word, elastic not; breaks not; temperance not but one stance'd in me, not coming unglued or uncorked until father says/shows and then BANG! What WAS that, noise? What light? Where? I love you all.
8. **Marriage'd supper of lamb number two, three coming. Soon.**
9. I love you Barbi. I love you all.
10. See not another but one'd one ones many, one awaiting, me, am. I love you all.
11. See not another but awaiting me be me and all said amen, yes. Hallelujah not; glory hallelujah forever and evermore. Amen.
12. Go to bed, rest. Be/ beholden me I am. I love you. Amen.

13. My promises are trustable.
14. I am my word,s/voice.
15. I am one.
16. I am you/me. We are one.
17. Behold me/Sunday, sooner, soon'eth. Walk with me. Thames close by soon.
18. I deposit you not; with you I walk/am, all the way.
19. Pasture inclinations, not; pasture real and true: Psalm 23.

I love you all.

Amen

Me
